

Dear Smiles Foundation,

A thankful heart rejoices twice when receiving a blessing: first when it receives it and second when it remembers it. It is the same about us: we thank God for people like you who have given honor to the Celebrated King through their works!

The material and/or financial blessings that we received from you, for children and adults in Dambovită county, Ciocanari village, and Valea Jiului, in Calan and Petrila, arrived safely at the destination. With the smile on their faces 70 children received their gift box, and 35 families received with tears and **Smiles packages with food and clothing.**

Before being a feeling, gratitude is a duty! Therefore we address words of gratitude for the crucial support of each of you, and we invite you to continue to support us in prayers or financial or material in this new year that we stepped in!

We wish you a 2010 better than 2009! And many prosperous years in every domain of your life! More than that we wish you much Life in Years! Life in abundance!

May God be proud of each of us! Happy New Year!
